

Achieve, Believe and Create Together

Jeremiah 29:11 'For I know the plans I have for you, plans to prosper you and not harm you, plans to give you hope and a future.'

Netball League

Our Netball Team have played two schools in the last two weeks. The girls won 12-7 against Blackpool Primary School. There were goals for Kaci, who scored 9, and Ella, who scored 3 goals. Lily-Ana and Tiffany both displayed some fantastic defence throughout the game.

Our last game against Bradley Barton started off well; both teams were evenly matched in terms of attack and defence. Bradley Barton were very good at getting the ball back and bagging an overall win. Great effort girls!
